

## 113-2 高一英文演講比賽題目

### 題目一

**Topic: Video games in my life.**

**What roles do video games play in your everyday life? What can you obtain from playing video games? Do you strike a balance between playing video games and other responsibilities you ought to take? Share your personal experiences and opinions on the above questions and tell us practical ways to strike a balance between having fun and working diligently in your speech.**

### 題目二

**Volleyball is more than just a game. It means overcoming challenges, learning from setbacks, and growing as an individual. Reflect on your own experiences with sports or teamwork. Deliver a speech explaining how participating in a class sports competition could influence personal growth or class unity, even if your team doesn't win.**
